M—St. Mary | P—St. Peter | R—Resurrection

FROM THE PASTOR:

We are very pleased to have Bishop Thomas with us this Sunday afternoon for the regional prayer service he is having at St. Peter church. I'm looking forward to seeing him as well as priests, deacons, and parishioners from the southeast part of our diocese. This special time of prayer before the Lord will surely bring

additional growth to your spiritual life this Lenten season. God is eager to bestow His grace on those who make the sacrifice of time for Him. After the prayer service, you are invited to a light reception with food and drinks in the church basement.

We are also very pleased to have Fr. Hayes, O.P., with us for five days. As I previously mentioned, he is preaching all the Masses this weekend. The theme of the three-day mission is similar to what brings Bishop Thomas to our area this Sunday. In both cases the goal is to help each of us better experience the presence of Christ every day through the sacrament of the Holy Eucharist. For those who attend, we will better understand and live what Jesus said: "I am with you always" (Matt. 28:20). Again, God pours out His grace to all who sacrifice their time for Him.

As was mentioned at the Masses last weekend, beginning this Easter, we will resume distribution from the chalice for Holy Communion at all Masses, provided that we have enough distributors to assist us priests and deacons. Most parishes in our diocese have already restored this option for reception of Holy Communion since the pandemic is in the past, thankfully! If you have a love for the Eucharist, please consider helping with the distribution of Holy Communion as an EMHC. New and existing EMHCs should plan on attending one of the upcoming training sessions (Saturday, March 18 or Sunday, March 26). Please see this bulletin for more details.

This coming Friday is the feast day of St. Patrick. As you probably know, some people have the tradition of eating corned beef and cabbage for dinner that day. However, what is a Catholic to do about this when St. Patrick's feast day is on Friday during Lent, which is when we refrain from eating meat? This is a big dilemma for some people! Bishop Thomas has allowed Catholics to celebrate the day by eating meat that day but on the condition that they transfer the abstinence of meat to another day that week.

My thought on this is what would St. Patrick want us to do? I'm completely confident that he would say the same as what John the Baptist said of himself and of Jesus: "HE must increase and I must decrease!" St. Patrick would want us to be with Jesus, walking the road to Calvary, and being with the Blessed Virgin Mary at the foot of the Cross as Jesus was willingly crucified for our salvation. The more we Catholics, and Christians in general, reconnect to being with Jesus every Friday of the year, the more we will be transformed into the likeness of Christ, and the more we will bring God's goodness into this world.

In HIS love,
Fr. Miller

PRISON MINISTRY CORNER

Our brothers at RiCI continue to enter more deeply into the Lenten disciplines of intentional prayer, fasting, and acts of charity.

First Friday evening was a period of peace, prayer, and praise. Our brothers greatly appreciate the opportunity to be in the quiet environment of our RiCI chapel on Adoration evenings. Our Stations of the Cross this week was again powerful and very well attended. Team member Brenda Heuer led *Mary's Way of the Cross*. Musical selections included *Were You There* and our RiCI Catholic Choir's presentation of *Via Dolorosa*. Every Saturday evening we enjoy Music & Fellowship. The cycle of our week fittingly ends - and begins - with Mass on Sunday evening. We are truly blessed at RiCI to be able to offer something every evening of the week.

DISPENSATION GRANTED FROM OBLIGATION TO ABSTAIN FROM MEAT ON FRIDAY, MARCH 17, 2023

Out of pastoral solicitude, Bishop Daniel Thomas has decided to dispense the faithful of the Diocese of Toledo, whether actually present in the territory or not, from the obligation to abstain from meat on Friday, March 17, 2023, the memorial of Saint Patrick.

Catholics present in the Diocese of Toledo who otherwise reside in another diocese, are likewise dispensed. No member of the faithful is required to make use of this dispensation, however, those who choose to do so are strongly encouraged to abstain from meat on some other day that week as part of their penitential practices during Lent.

EUCCHARISTIC MINISTER OF HOLY COMMUNION TRAINING

Training will be for all current Eucharistic Ministers of Holy Communion, that serve at Mass, take communion to the nursing homes, and take communion to the homebound; as well as for those who are interested in becoming a Minister of Holy Communion in any of those areas.

H.O.P.E. PANTRY BLUE BARREL WEEKEND
MARCH 11 & 12

HEAD OF SCHOOL UPDATE

Every day, the principals, teachers, staff, and I discuss ways to improve our school. We implemented several successful and impactful new initiatives this school year, including administering the CogAT to every student in grades 1-11, piloting our mandatory sophomore college course, switching to the seven-period day in the JH and HS, adding fourth grade to the departmental rotation in the elementary school, providing substantive professional development, creating the Director of Theology position, offering more honors classes, aligning standardized assessments with the ACT, being more intentional with homework completion, supporting social and emotional learning, introducing a gifted and talented program, and adopting behavior contracts schoolwide, all of which have yielded really positive results.

School improvement is an ongoing process here at St. Peter's. With every new initiative, we learn more about our students, our staff, our capabilities, and our potential. Post-COVID, we have ramped up this continual improvement mindset, constantly assessing and reviewing how to better serve our students.

In this spirit of ongoing improvement, I am excited to announce that starting this fall, we will have a dedicated Middle School on the third floor of the High School building.

This middle school will be for grades 6, 7, and 8. It will provide a unique educational, social, spiritual, and behavioral experience specifically tailored to this age group.

This new middle school will be self-contained on the third floor. It will include several refreshed classrooms, a science lab, a homework space, an honors lounge, a space for hands-on learning, a community meeting space, and most importantly, a dedicated core of teachers committed to working with this particular age group. Students' core courses will take place in thoughtfully designed spaces appropriate for their developing minds, bodies, and social dynamic. When our middle school students do leave the third floor for band, art, gym, choir, and lunch, they will be supervised. As students mature and make good choices, they will have the ability to earn privileges that will increase their independence and reinforce the values we are teaching.

Grouping 6th, 7th, and 8th grade together is not only a solid academic model, but it provides a three-year scaffolded experience that ensures our students grow stronger in all facets of their schooling before entering high school. Likewise, this new school alignment supports meaningful grade bands school-wide (PreK, K-2, 3-5, 6-8 and high school) that will allow us to better plan curriculum, track outcomes and direct resources for every student.

Thank you for believing in St. Peter's School and financially supporting the work that we are doing. I know these last two years have been filled with changes. Still, please know that these changes are part of our long-term plan to provide the most comprehensive, holistic education in the area.
