M—St. Mary | P—St. Peter | R—Resurrection

As we Ohioans are nearing a general election next month (Nov. 7), it is good to be reminded of two things. The first is the importance of being involved in the political process and the second are the two issues that Ohio voters will decide. The first is a proposed constitutional amendment and the second is a proposed law.

First, Pope Francis reminds us that Catholics should be involved in the political discussion, and offer their prayers, so that the governing process will proceed in humility, respect, and truth. He rejects the idea that "a good Catholic doesn't meddle in politics." Pope Francis: "We need to participate for the common good. Sometimes we hear: a good Catholic is not interested in politics. This is not true: good Catholics immerse themselves in politics by offering the best of themselves so that the leader can govern."

Pope Francis acknowledged the tendency for people to speak only critically of their leaders, to complain about "things that don't go well." Instead, he reminds us that we should pray, since prayer is "the best that we can offer to those who govern." Pope Francis directs us to St. Paul's first letter to Timothy where we are instructed to pray for the conversion and strong leadership of those in authority.

Before the past special election of Aug. 8, I stated that it is critically important that voters take the time to understand the issues and candidates on every voting ballot. The issue that voters were being asked to decide was related to the requirements needed to change the State Constitution. I stated then that the issue was not moral but political. Clearly it would affect future elections, such as this November election, but determining the exact percentage of majority votes needed to change the State Constitution is a debatable issue of governance. The two issues on the ballot for this November are clearly different, most especially Issue 1.

Issue 1 is a proposed Constitutional Amendment that seeks to legalize abortion in Ohio. If passed, the practical effect would be to legalize abortion at any stage of pregnancy and protect anyone involved with providing an abortion. The amendment refers to abortion as "reproductive medical treatment" in order to redirect the focus away from the truth of what abortion is – the direct and intentional killing of an innocent human person for the convenience of another person. It is impossible to morally justify such actions regardless of what deceptive wording is used. As a result, any person with even the smallest notion of decency and justice will vote NO on Issue 1 this November.

Abortion is the result of pride and selfishness. As I stated last week, these sins are the cancers that are literally destroying us and society at many levels. They are the freeway to hell that many people are traveling and leading others with them. There is good in every person, however the unGodly aspects of them are what prevent them from entering heaven. Abortion is those in power ending the life of those without power. It is people without a voice being eliminated by those with a voice. Please see through deception and vote NO on Issue 1.

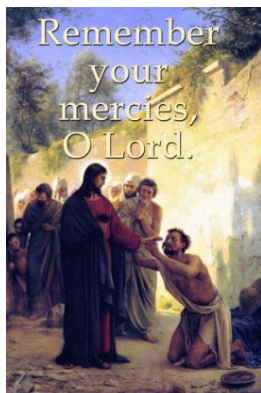

Sincerely,

Father Miller

SINGING IS PRAYING TWICE!

So said, Sister M. Raphael Wand, OSF/J, many times during her service here as Music Teacher at St. Peter School. Some of our more venerable and mature members may yet remember hearing her say that.

But it's true. Singing is praying twice. Don't believe us? Why not give it a try and find out?

So please consider joining the St. Peter's Traditional Choir, Bell Choir, Contemporary Ensemble, and/or our Funeral Choir. The ability to read music is not required...you only need to be able to sing. Rehearsal schedules and other information can be obtained by calling the Parish Music Office at 419-524-2572, ext. 2113. Please join us!

PRISON MINISTRY CORNER

Thank you to all who support our dynamic prison ministry programs. Those who would like to join us for Mass at Richland Correctional are asked to email lukach.lynne@myspartans.org for further information.

FROM MR. CUTTITTA

This past spring, I was selected as a member of the 3rd cohort of Cabrini Fellows for the ACE Principal Academy at University of Notre Dame. The Alliance for Catholic Education (ACE) Principal Academy began as the Center for Transformational Educational Leadership (CTEL) in 2015 through a partnership with the Archdiocese of Chicago, providing coaching and professional development to cohorts of principals seeking to grow in their capacity to lead Catholic schools.

Building upon this success in Chicago, CTEL launched its newest initiative in 2021, the Cabrini Fellows, which is named to honor the work of Saint Frances Xavier Cabrini. Despite tremendous odds, Mother Cabrini allowed God to work through her so that she could establish faith-based institutions of learning across the United States that served communities most in need. The Cabrini Fellows program allows the University of Notre Dame to reach dioceses beyond Chicago and serve school leaders interested in expanding their leadership capacity through a combination of individual coaching and professional development that will prepare them to take on broader leadership within their diocese after completion of the program. In 2022, ACE changed the name from CTEL to ACE Principal Academy to better reflect the program's commitment to foster excellence for Catholic school leaders.

The approach of ACE Principal Academy is to improve principals' abilities to effect change within their schools by coaching principals to be stronger in three domains: School Culture -

Establishing Intentional, Christ-Centered Cultures of Joy;

Instructional Leadership—Leading for Instructional Excellence,

and

Executive Management - Winning with People.

Over the course of the two-year program, I will participate in two week-long summer institutes, four immersion experiences at various locations around the country, and receive weekly executive coaching. The goal of the program is to help develop outstanding Catholic school leaders and transform the schools in which they serve. Thus far, I have been extremely impressed by the quality and value of the experience provided by the ACE Principal Academy, and I look forward to sharing my newfound knowledge and skills with the St. Peter's School community.

PRAYER OF SAINT FRANCIS OF ASSISI

Lord make me an instrument of your peace.
 Where there is hatred let me sow love.
 Where there is injury, pardon.
 Where there is doubt, faith.
 Where there is despair, hope.
 Where there is darkness, light.
 And where there is sadness, joy.

O, divine master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; To be loved as to love;

For it is in giving that we receive; it is in pardoning that we are pardoned And it is in dying that we are born to eternal life.

Amen.

Donate Blood In Honor of **Micah Galuzny**

Micah is one of six kids, the second oldest in the family. He loves playing baseball, football, and tennis. He is also a Boy Scout. Last October, he was diagnosed with Alveolar Rhabdomyosarcoma, a rare soft muscle tissue cancer. He had a tumor in the bottom of his foot that had metastasized to the knee. During treatment and emergency hospital stays, Micah has needed platelets and blood transfusions. We are grateful for all those who donate blood and would like to encourage more people to do so.

SAINT VINCENT DE PAUL (1182 - 1226) FEAST DAY - OCTOBER 4

When Franco Zeffirelli's *Brother Sun, Sister Moon* was released (1972), people were shocked by the movie's graphic nudity in the dramatic conversion scene. Son of a wealthy merchant, Francis' aimless adolescence ended when a failed military expedition led to his imprisonment and complete breakdown. Once home, Francis rediscovered God in the beauty of nature and the ugliness of human suffering, caring for lepers, praying in the little church of San Damiano, whose crucified Jesus he heard calling, "Repair my house, Francis, which is falling into ruins." Francis sold his possessions—and his father's—to fulfill this command. When his father objected, Francis disrobed: "I return the clothes, your name, and all you gave me: God alone is my Father now." Later, the pope would dream of a ragged friar stretching forth a single hand to prop up the crumbling papal Cathedral of Saint John Lateran. Francis indeed helped rebuild the universal Church, founding the Friars Minor (Franciscans), dying at a young forty-four, bearing the stigmata of the Christ whose living icon he remains—in the Church and far beyond it.—Peter Scagnelli

Connection to St. Peter's: One of the religious communities that claim St. Francis as their patron are the Franciscan Sisters of Mary Immaculate of Joliet. Hundreds of Joliet Franciscan Sisters served in our parish and in our school from 1871 to 2015.
